About Me

I'm a front-end developer passionate about creating clean, user-friendly interfaces with HTML, CSS, JavaScript, React, and Vue. I strive to enhance user experience and website performance, exemplified by my work on MaminAudio. Eager to learn and collaborate with creative teams, I'm seeking new opportunities to grow and build exceptional websites.

Online Portfolio

- **ReactJS:** [MaminAudio](#)
- **Wordpress:** [BarsalT](#)

Experience

- Oct 2023 - Present · 7 mos
MaminAudio
Freelance

Developed a website for musician Mamin using React.js, MUI, and Framer Motion to create a dynamic and engaging user experience.
- Jun 2021 - Apr 2022 · 11 mos
Xpeace Cloud
Web developer

Built a secure platform for encrypting and protecting client videos, making them non-downloadable. Although not public, design references are available.
